

KIT2017: Pittsburgh, PA May 4

May 04, 2017 | 8:00 AM - 3:00 PM

KIT2017: Pittsburgh, PA May 4 (<https://ec.kemet.com/kit-events/kit2017-pittsburgh>)

Things to Know:

- Check-in begins at 7:30 AM
- Lunch provided

Agenda

Design & Characteristics

- Introduction and KEMET Overview
- Ceramic
- Tantalum
- Aluminum Polymer
- Small Case Supercapacitors
- Metal Composite Inductors
- Film
- Aluminum Electrolytics
- EMI Cores
- Flex Suppressor Sheets

Applications (Low Voltage DC)

- Capacitor Fundamentals
- Decoupling and Filtering
- Engineering Center and K-SIM
- AC Line
- Power
- Energy Storage and Power Assist
- Product Classifications

Regional Learning Alliance
840 Cranberry Woods Drive
Cranberry Township, PA
16066
